

Geyserville Volunteer Firefighters' Association

November 2008

Members of the Geyserville Volunteer Firefighters' Association (GVFA) would like to extend our best wishes to you and your family this holiday season. This season also brings our annual donation request. Funds generated by this request, along with those generated by our annual summer dinner-dance and Fall Colors' pancake breakfast, are used to improve our ability to provide emergency services to the community.

You received this letter because our records indicate that you either have donated to our organization, own property and/or live in the Geyserville Fire Protection District (GFPD).

The GVFA is comprised of the volunteer firefighters of the GFPD. The District is a government entity funded via a small portion of your property taxes. Unlike other fire districts in Sonoma County, a fire assessment tax has never been imposed. This is due to your continued support of the GVFA, volunteer fire fighter staffing and prudent fiscal management.

Recently a widely publicized monetary agreement was reached between the County of Sonoma and the Dry Creek Band of Pomo (The River Rock Casino). We would like to inform our community members that neither the GVFA nor the GFPD will be receiving any additional funds from this agreement. The GVFA's operating funds are generated largely by donations and our fund raising activities throughout the year.

We are pleased to provide you with the following update of activities and progress of the GFPD during the past year:

- The Geyserville volunteer firefighters responded to 507 emergencies during 2007.
- A \$500,000 debt reduction donation was made to the Geyserville Fire Protection District in February of this year.
- The 2008 Dinner Dance was a tremendous success even with the smaller turn out as in years past.
- Five new firefighters joined our ranks. They completed a rigorous 130 hour recruit academy and passed an additional six month probationary period.

Your generous donation, large or small, will help the GVFA meet its' future goals which include:

- Purchasing a new rescue squad. Please see the details in the included "Fire House".
- Assisting with further debt reduction of the Fire Station #1
- Recruitment and retention efforts of fire fighters

We greatly appreciate your continued support of your volunteer fire department! We are continually impressed by the support of the community we serve. For more information about the GVFA or the GFPD please visit the District's website at www.geyservillefire.com.

Please make all donations payable to The Geyserville Volunteer Firefighters' Association (or GVFA for short). We are a 501c(3) non-profit organization and all donations are tax deductible (Tax ID#: 23-7054738).

Thank You!

Wendy Colgan
President
